Summary Box

The information contained in this table summarises key product features not displayed elsewhere on the statement and is not intended to replace any terms and conditions.

Interest Free Period	Maximum 56 days on purchases if you pay the full amount you owe on each statement date on time every month. No interest-free period on balance/money transfers or cash advances (subject to any interest-free promotional offer).		
Interest Charging Information	Purchases - We won't charge interest on purchases if you pay the full amount you owe on each statement date on time every month. Otherwise we'll charge interest daily from the date an amount is charged to your account until it's paid in full. Cash Advances and Balance/Money Transfers - We'll charge interest daily on cash advances and balance/money transfers from the date the Transaction is applied to your account until it's paid in full (subject to any promotional offers). Instalment Plans - You'll pay a monthly fee for an Instalment Plan, but no interest will be charged on the balance in an Instalment Plan or on the monthly fee.		
Explaining Interest Rates	Simple Rates - We use the Simple Rate to work out the interest due on your unpaid transactions including any unpaid interest. We calculate this interest daily. We add the total of the daily interest to your account every month on your statement date. This rate moves moves in line with the Bank of England Base Rate. Compounding Interest - If you do not pay your balance in full each month by the date set out in your statement we'll charge interest on any unpaid interest that has fallen due even where you pay the minimum payment. This is called 'compounding' and means that you are paying interest on interest. We have provided the Compound Rates for information only. This is to show you the effect of compounding on the Simple Rate over the course of a year. Because the Compound Rate takes account of the payment of interest on interest, it will be higher than your Simple Interest Rate. We don't use the Compound Rate to work out the interest you owe. You can find out more information about interest rates visiting americanexpress.co.uk/interest.		
Allocation of Payments	If the amount you pay is less than the full amount you owe, we'll use your payment to pay off arrears before other amounts you owe us. We'll then pay off the monthly instalment amount and monthly instalment fee that you owe in relation to any Instalment Plan. We'll then pay off the remaining amounts you owe at the highest interest rates before amounts charged at lower interest rates. We'll also apply payments to amounts that have appeared on your statements before amounts that have not yet appeared on your statements.		
Minimum Repayment	The minimum payment is the higher of the following amounts: (1) £25 (or the total amount you owe if less); or (2) an amount equal to the total of: ·any interest, default fees, repayment protection insurance applied to your current month's statement; ·1/12th of any annual cardmembership fee or the full monthly fee (if applicable to the product you hold); ·the monthly instalment amount and the monthly instalment fee due in respect of any Instalment Plan; ·plus 2% of the amount you owe on the account excluding any Instalment Plan balances. A different minimum payment may apply if you are in a Financial Relief Programme.		
Financial Relief Programmes	Whilst you are on a Financial Relief Programme (if applicable), the minimum payment amount will always be at least equal to any interest, default fees and 1/12th of any annual cardmembership fee or the full monthly fee (if applicable to the product you hold) plus 1% of the amount you owe on the account upon entry into the Financial Relief Programme (subject to a minimum of £5).		
Fees	A cardmembership fee may be payable, please see your credit card agreement for more information.		
Charges	>	Cash Advance Fee	3% (£3 minimum) of the amount of the cash
	>	Balance/Money Transfer Fee	3% of the amount of the transfer
	>	Copy Statement Fee	£2 for each additional copy of a paper statement
Foreign Usage	American Express Exchange Rate		You can find our rates by calling us.
	Non-Sterling Transaction Fee		2.99% of the amount after we've converted a transaction into sterling.
